## OFFICE OF THE CHANCELLOR

### **Prof. Dr. Paulson Mathew Chunkapura**

M.A (Economics), MBA(Appolos), MBA (MKTG), USA; PGDBA (UK), DBA (USA), Ph.D. (Economics), D. Litt (USA), DPA (MU, USA), DBA (Euro College), DBA (Appolos), DBA (UBIS) and DBA (Alliance Zambia)

**The Chancellor, London American University College – Zambia**

**President & CEO, London American City College – UAE**

*University Rank Holder*

*The winner of the Dr. M.H.Gopal Felicitation, Gold Medal (Mysore University)*

*Winner of American & British Intellectual Awards and Gold Medals*

Dear Students,

A very warm welcome to the London American University College (LAUC), accredited by the Higher Education Authority (HEA) of the Ministry of Education of the Republic of Zambia. London American City College (LACC) LAUC's Sister Concern is the No.1 Premier Sector University College in the UAE run by distinguished professors of International Repute with Top 4 American and European Accreditations and with the status of a "Degree-granting University" approved by the Council for Higher Education Accreditation of the United States of America.

Over the last 24 years, LACC has produced 17,000+ successful global business leaders and star managers with well-paying jobs in reputed global corporations and local industries.

Over a period of time, growth of the Artificial Intelligence (AI) could take away around 64 percent of the existing jobs from the world labour market. To meet such challenges in this competitive global job market, the LACC provides the best quality higher education in Business Information Systems and Business Administration by discussing real-world examples, and current industry-based real case studies and ensuring that our students' soft skills and hard skills are remarkably improved with guaranteed internships and by focusing on well-designed Educational Research and Development.

By providing world-class education to students from around the world, we could establish London American University College in Lusaka, Zambia with Full Accreditation from the Higher Education Authority of the Ministry of Higher Education of Zambia. So, if you are looking for a brilliant career with the best-paying jobs in MNCs and migration status, you are most welcome to join and study at the LACC UAE and at the London American University College, Lusaka.

**You are cordially welcome to enroll in  
our university college!!**

# LAUC's INTERNATIONAL ACCREDITATIONS & RECOGNITIONS

---

London American University College (LAUC) is a private university college in Lusaka, Zambia. It is accredited by the Higher Education Authority of the Ministry of Education in the Republic of Zambia.

The HEA is responsible for the accreditation of learning programmes (LPs) of private and public higher education institutions (HEIs). It also registers private HEIs and monitors their compliance with the Higher Education Act. The HEA also provides quality assurance services to HEIs, including the assessment of teaching and learning, research, and student support services.

LAUC has got its second international accreditation from the Accreditation Service for International Schools, Colleges, and Universities (ASIC), England. We have earned "A Premier Institution" status with ASIC for our operations with international quality and academic standards.

ASIC accreditation helps students and parents make a more informed choice and will also help a school, college, university, training provider, or distance education provider, demonstrate to the international student body that they are a high-quality institution.

ASIC is recognized by UKVI in the UK, is a member of the CHEA International Quality Group (CIQG) in the USA and is listed in their International Directory, is a member of the BQF (British Quality Foundation) and are institutional member of EDEN (European Distance and E-Learning Network).

# LAUC's SISTER CONCERNS ACCREDITATIONS & RECOGNITIONS

LACC is accredited by European Council for Business Education (ECBE), an international nonprofit accrediting bodies, registered in Brussels as an AISBL – Association Internationale Sans But Lucrative. It is committed to supporting academic and professional learning institutions in economics, business, and related fields.

LACC has got its second international accreditation from the Accreditation Service for International Schools, Colleges, and Universities (ASIC), England. We have earned “A Premier Institution” status with ASIC for our operations with international quality and academic standards.

ASIC accreditation helps students and parents make a more informed choice and will also help a school, college, university, training provider, or distance education provider, demonstrate to the international student body that they are a high-quality institution.

ASIC is recognized by UKVI in the UK, is a member of the CHEA International Quality Group (CIQG) in the USA and is listed in their International Directory, is a member of the BQF (British Quality Foundation) and are institutional member of EDEN (European Distance and E-Learning Network).

# LAUC's SISTER CONCERNS ACCREDITATIONS & RECOGNITIONS

LACC has got the third International American Accreditation from The International Accreditation Council for Business Education (IACBE), Kansas, USA, formerly the International Assembly for Collegiate Business Education.

IACBE offers mission-driven, outcomes-based Programmatic accreditation, evaluating an institution's academic business unit's business programs through independent evaluations of teaching and learning processes and outcomes, ensuring the effectiveness of the academic business unit.

The IACBE is recognized by the Council for Higher Education Accreditation (CHEA). CHEA's purpose is to scrutinize and affirm the quality of regional, faith-based, private career, and programmatic accrediting organizations.

The IACBE accredited business, accounting, and business-related degree programs at the associate, bachelor's, master's, and doctoral levels in institutions of higher education worldwide.

## AWARDS WON BY LACC

The Winner of  
**ASIC Inclusivity Award**  
for Quality Education

The award is for the advancement, achievement, and impact of inclusivity initiatives within the context of the promotion of global citizenship education

The BIZZ gathers and recognizes leading businesses from different regions that contribute to the daily growth of their local and world economy.

The European Society for Quality Research (ESQR) promotes quality awareness and recognizes good business practices and technological innovation.

# VISION

---

The Vision of the LAUC is to become a world class educational institution that transforms life, organizations and society by providing affordable quality business education.

# MISSION

---

The Institutional Mission of the LAUC is to foster a world class business education that prepares students to become professionals in a dynamic global economy and promote academic excellence through engagement with communities and international institutions.

To achieve our mission, we are committed to maintaining the international academic standard, by providing the best quality European, American, and Gulf education with excellent professional support to our students.

# DISTINGUISHED FACULTY

---

LAUC, Lusaka has the best professors with excellent qualifications (doctoral degrees in major areas of specializations & Masters degree holders) and extensive teaching experience in American and Euro-pean curricula. All our courses are taught only by eminent professors with superb academic knowl-edge and professional expertise. The faculty consists of renowned business experts, world famous economists, leading computer professionals, experts in travel & tourism management, eminent Psychologists, and reputed professionals from top ranking Universities.

# WORLD CLASS EDUCATION

---

LAUC, Lusaka offers world class Diploma in Business Administration, BBA and BS degree programmes fully accredited by the Zambian accrediting body and global accrediting bodies namely European Council for Business Education (ECBE) - Brussels, Belgium & Accreditation Service for International Schools, Colleges & Universities (ASIC) - London, England.

# OUR PHILOSOPHY

---

LAUC is committed and dedicated to the success of all its students through life-long learning, enhancement of education, advancement of knowledge, effective student service, and the development of the skills necessary for their survival and success in the highly competitive global economy. LAUC is built upon a core commitment to students' learning, service, and cooperation, and upon respect for people and place. We honor and respect the dignity and rights of all individuals, support academic freedom and ethical and moral behavior based on truthfulness and honesty, integrity and fairness, and respect for diversity. We are deeply committed to students' learning, growth, and success.

LAUC's core purpose is to help people appreciate life and learning and contribute meaningfully to the lives of others. Our first and foremost commitment is to the success of all students: their growth and development as well-trained and skillful individuals, their confidence, and their life-long devotion to the common good and the welfare of others.

## OUR OBJECTIVES

---

To offer innovative curricula in the Advanced Diploma in Business Administration, Post Graduate Diploma in Business Administration, Bachelor of Business Administration (BBA), and Master of Business Administration (MBA) Degree programs, which are exciting, stimulating, and challenging for the young professionals working in National and Global Corporations.

To prepare and train students to understand and apply modern innovative techniques and tools of key business and management disciplines.

To offer the most innovative and unique learning experience through superb teaching by renowned Professors of International repute.

To provide an atmosphere of free thinking and to enhance students' educational needs and career prospects and aspirations.

To offer personal, relevant, flexible, contemporary & challenging European / American Diplomas and Degree programs to the international student community..

To encourage creativity, scholarship & individual enterprise.

To provide the students with coherent values based on researching business enterprises & management practices with comparative, international & national contexts in a historical, socio-economic institutional framework.

To provide thought-provoking lectures on global standards and real-life industry case studies and the critical appraisal of the models and techniques in the classroom.

To provide the students with sound knowledge & critical thinking and problem-solving skills for succeeding in an increasingly diversified global work environment.

To teach the students innovative management techniques for managing people, money, material, and customers effectively and efficiently and for enhancing their knowledge and ability to think, influence, and act strategically.

# OUR ACADEMIC PROGRAMMES

## ◆ DIPLOMA IN REGISTERED NURSING

Nursing is a professional discipline that involves caring and is derived from nursing science. Nursing contributes to society by promoting and improving health outcomes for individuals, families and the community, without regard to status or class.

Nursing functions within the scope of practice and is guided by ethical principles such as beneficence, justice, accountability, autonomy, veracity, non-maleficence and fidelity. Nursing believes that health is a right for all people, regardless of ethnicity, race, gender or social economic status, religious or political affiliation. Health is a dynamic state of being, in which the developmental and behavioral potential of an individual is realized to the fullest extent possible.

The nursing profession operates with some core values that ensure nurses are able to express themselves within the profession. The core values that are vital for nursing are autonomy, altruism, social justice, integrity and human dignity.

### AIMS OF THE DIPLOMA IN REGISTERED NURSING PROGRAMME:

The nursing profession operates with some core values that ensure nurses are able to express themselves within the profession. The core values that are vital for nursing are autonomy, altruism, social justice, integrity and human dignity.

# OUR FACILITIES

LAUC's academic infrastructure is equipped with technology that supports the learning environment for high-quality teaching that indulges student-centred and experiential learning. All our classrooms are provided with projection systems, ergonomic factors to conduct convenient learning sessions, and use online learning platforms for interactive learning sessions with the international faculties abroad.

Our digital and conventional libraries are available for student reference that are stacked with books from globally recognized publishing houses in the USA, Europe, Canada, Australia, India, etc., authored by globally renowned authors and academicians of the world's top universities in the field of business studies. Our business laboratories are available for the students' access to conduct research, do assignments, and do project activities with onsite guidance from the faculties.

All the students and faculties are provided with free Wifi access with a secured network to use their devices such as mobiles, tablets, and laptops for teaching and learning purposes inside the campus. They are provided with an exclusive online account and credential with the cloud learning platform to conduct and access live sessions of the online classes, guidance on presentations, assignments, projects, MCQ assessments, etc., that helps the students to make real-time interactions with the faculties.

## STUDENTS LIFE ”

At LAUC, we have fostered an inclusive education environment for our students regardless of their knowledge, skills, and abilities and so they feel supported academically, intellectually, and emotionally to transform themselves to perform their tasks, duties, and responsibilities as future professionals. Our faculties and staff members provide necessary guidance for the students both inside and outside the classroom with the similar concern along with a special understanding of their performance, attitude, strengths, and weakness; which creates an inclusive culture for the students to learn independently that offers an organic scope for their improvement and betterment of their performance.

Students are assessed based on examinations, MCQs, assignments, projects, research thesis, attendance and their performance; with the aforesaid criteria and a fair evaluation of each student by

# LAUC: QUALITY AFFORDABILITY & EMPLOYABILITY

measuring their learning ability, knowledge gained, course commitment that helps the student to earn the degree as an eligible graduate to join the international professional fraternity.

Beyond the academics, our students get to involve in communal activities, participate in sports tournaments, skill based competitions, theme based events, recreational gatherings, industrial visits etc., during their course tenure; that facilitates opportunities to develop their competitive & social calibre, to exhibit their individual talents, to evolve as a responsible and committed personality in a society they live in and also to pursue their goals with confidence. We conduct ceremonies such as the students fresher's party, graduation ceremony and cultures each year for the students who successfully graduate who are honoured by diplomats, renowned academicians, business leaders and pioneers of various industries that becomes a cherished memory of their lifetime.

## OUR ALUMNI

With over 17,000+ graduates and post graduates, Our alumni are the valuable assets of our college who help to build and grow our brand value through advocacy to their personal and professional network. Star alumni, who have become renowned business leaders of the top MNCs and those who have established themselves as successful professionals & entrepreneurs are invited to our communal activities, competitions, graduation ceremonies, and

culturals and honoured for their success, credibilities and achievements that helps our students to gain aspiration and opportunities for their career prospects.

## OUR FACULTY & STAFF MEMBERS

Our team of educators are highly qualified professors with international repute and faculty members with expertise in business industries that are emerging at a fast pace in this era of globalization and technology with a continual shift of paradigm. In our teaching methodologies, we focus on the cognitive aspects of our students to impart knowledge, skills, and abilities that meet the requirements of the current business world.

Our faculty members are well qualified to design the curriculum and conduct the course modules applied with teaching methodologies that deliver the knowledge for the students who are indulged in student-centred and experiential learning. They provide mentorship and guidance for real-time research thesis preparation, submission, and presentations for different business majors in both bachelor's and masters level students for their successful completion of the course.

All the faculty members onboard follow the international academic standards and practice the organizational code of ethical conduct. Our staff members provide services for the students with professional integrity, ethical conduct, and fairness to meet their requirements during their academic tenure and post-academic tenure as well.
